## Diagnostic List Fiat\_v9.10

Remark:  
 1. ✓ : means that the system has this function  
 2. - : means that the system does not have this function  
 3. compared with the last version, the new added function is marked in red color.

## Diagnostic List Fiat\_v9.10

Remark:  
 1. ✓ : means that the system has this function  
 2. - : means that the system does not have this function  
 3. compared with the last version, the new added function is marked in red color.

## Diagnostic List Fiat\_v9.10

Remark:  
 1. ✓ : means that the system has this function  
 2. - : means that the system does not have this function  
 3. compared with the last version, the new added function is marked in red color.

## Diagnostic List Fiat\_v9.10

Remark:  
 1. ✓ : means that the system has this function  
 2. - : means that the system does not have this function  
 3. compared with the last version, the new added function is marked in red color.

## Diagnostic List Fiat\_v9.10

Remark:  
 1. ✓ : means that the system has this function  
 2. - : means that the system does not have this function  
 3. compared with the last version, the new added function is marked in red color.

## Diagnostic List Fiat\_v9.10

Remark:  
 1. ✓ : means that the system has this function  
 2. - : means that the system does not have this function  
 3. compared with the last version, the new added function is marked in red color.
